

CONTINGENT ACCOUNT - 1990

ABOUT THIS ACCOUNT

This account is used for unforeseen expenses that may arise during the calendar year. 2020 looks to be a banner year for Criminal Justice reforms and as part of that \$600,000 of the \$775,000 allocated here is designated for personnel needs related to this and is to be split equally between the Department of Probation and the District Attorney's office. As these changes are still evolving it was felt that the best way to approach the anticipated needs was to earmark this money now and allow the departments to amend their budgets in the future.
