

“Connect Albany”
Albany County Broadband Assessment & Feasibility Study

PUBLIC MEETING

A Public Meeting will be held on “Connect Albany”, Albany County’s Broadband Assessment & Feasibility Study on Tuesday, May 31, 2022, at 4:30pm at 24 Martin Rd, Voorheesville, NY, 12186 in Conference Room B. The study, initiated by County Executive Daniel P. McCoy, is being developed to assess the current state of broadband accessibility in Albany County and identify solutions to expand access and affordability. The meeting will include a presentation from the County’s Consultants, Insight and Tilson, as well as the opportunity to offer feedback. The public may attend the meeting at the location identified above, or participate in the meeting virtually by utilizing the following link: [Click here to join the meeting](#)

We welcome the public to submit any written comments before or after the public meeting to Broadband@albanycountyny.gov
