

ACRC Meetings

The four original appointees met for the first time on 9/2/2022 and began the selection process of the other 5 Commissioners. The following were the meeting dates for these initial appointees:

9/2/2021	9/16/21	9/20/21	9/27/21	9/28/21

Beginning with the first meeting of all 9 members on 10/4/2021, all meetings were recorded, and video recordings and minutes of each meeting are available online at the Commission's website: albanycounty.com/acrc. Livestreaming of the meetings began on 3/6/22 after the on-boarding of the interns and the establishment of a YouTube account and it continued thereafter.

ACRC met on all the dates listed below. This list does not include scheduled meetings that failed to reach a quorum (and thus were cancelled) nor does it include any workshop sessions (always 4 or fewer members) to perform specific tasks.
