NYS Pre Licensing Firearms Safety Training Course

COST: \$299.99 (includes firearm rental, ammunition, eye/ear protection and targets.

New pistol permit applicants are required by NYS to take a 16hr training course with 2hrs of live fire. The class will be divided into Saturday and Sunday, 9hrs each day, with the range portion taking place on Sunday. You **MUST** attend **BOTH** days and pass the written exam to receive full credit for the course. All ammunition, targets, range fees, firearm rentals, eye and ear protection will be provided and is included with course registration. Registration is non-refundable and you must pay in advance in order to be registered for the course.

This course is required for **NEW** pistol permit applicants and anyone wishing to have their restrictions removed on their current pistol permit in NYS. It will be taught by our NRA and DCJS Duly Authorized certified professional firearms instructors with decades of experience. You do **NOT** need to take this course if you already hold a NYS pistol permit. Applicants must **NOT** be a prohibited person in regard to firearm ownership (I.E. you cannot be a felon, be convicted of domestic violence, etc.)

Topics covered will include basic firearm safety, maintenance, cleaning, safe storage, transportation, firearm-specific laws, situational awareness, interacting with law enforcement, and more. Students who do not pass the written test with an 80% and/or are unable to show the ability to safely handle and use a handgun will not pass the course.

Both days are from 8:00 AM from 5:00 PM with a working lunch around noon. The instructors will give a light presentation during lunch in order to get through the material.

Successful completion of our course will result in a certificate valid to submit with your New York State pistol permit application Albany County, Rensselaer County, Schenectady County and Greene County.

You can register for this course at www.americantacticalsystems.com
