

G. Supplemental List of ACRC Meetings

After the Albany County Legislature rejection of the ACRC map submission, the ACRC met on the following dates:

10/17/22	10/27/22	11/3/22	11/10/22
11/19/22	11/26/22	12/3/22	12/10/22

A Public Hearing held jointly between ACRC and the MMD Subcommittee was held on December 1, 2023.

The above list does not include scheduled meetings that failed to reach a quorum (and thus were cancelled) nor does it include any workshop sessions (always 4 or fewer members) to perform specific tasks.
