

RESOLUTION NO. 234

REQUESTING THE COUNTY EXECUTIVE TO ENSURE THAT THE NEW NURSING HOME ROOF WILL BE ABLE TO SUPPORT SOLAR PANELS

Introduced: 6/9/14

By Messrs. Bullock, Clenahan and Dawson:

WHEREAS, The County is currently preparing to replace the roof at the Albany County Nursing Home, and

WHEREAS, It is well established that the nursing home is in need of improvements to increase the energy efficiency at the facility and a solar panel system may provide the County with an opportunity to save energy costs by investing in a renewable energy system, and

WHEREAS, This Honorable Body believes that it is the County's responsibility to plan for efficiencies and to make sure all maintenance and renovations regarding County owned facilities are properly completed to protect the County's assets, and

WHEREAS, The new roof at the nursing home needs to be able to support the weight of solar panels so that the option to install said panels is possible, and

WHEREAS, Now that the roof is being replaced, it makes for an excellent opportunity to incorporate the necessary changes, if any, to make sure the County has the option to install a solar panel system on the nursing home roof in the future, now, therefore be it

RESOLVED, By the Albany County Legislature, the County Executive is requested to ensure that the new roof at the Albany County Nursing Home will be structurally able to accept a solar panel system, and, be it further

RESOLVED, That the Clerk of the County Legislature is directed to forward certified copies of this resolution to the appropriate County Officials.

Adopted by unanimous vote. 6/9/14
