TBD = State rates to be determined. EISP rates will be held in effect for the entire contract period. In the event that NYS Department of Health increases the maximum allowable rates for Personal Care/Homemaker Services, the rates for the above agencies are proposed to automatically increase as follows: a) Agencies that proposed a rate at or above the current State maximum will be granted an increase to the new State maximum rate. b) Agencies that proposed a rate lower than the current State maximum will be granted a percentage increase, commensurate with the percentage of the current State maximum reflected by their proposed rate.
