

Albany County Hazard Mitigation Plan

Albany County is updating their Hazard Mitigation Plan and needs your input! The plan will identify what natural hazards the County faces, identify people and property at risk, and create strategies to minimize long term damage.

Public Information Meetings

Wednesday, September 25, 2024 (12 pm or 5 pm)

In-person at: Albany County Sheriff's Office
(58 Verda Ave, Clarksville NY 12041)

OR via Zoom at the links below

How do floods,
storms, and other
hazards impact
you?

How can
the County
help?
