Dear Retailer:

In an effort to protect children from toys and articles that contain certain chemicals that present potential risks to human health, the Albany County Legislature, in conjunction with County Executive Daniel P. McCoy passed Local Law No. 1 for 2015, "The Toxic Free Toys Act". The Albany County Department of Health is responsible for promulgation of regulations and enforcement of this legislation.

To understand this law fully, please read carefully the enclosed regulations and Frequently Asked Question (FAQ) document.

Enforcement of the Law will begin on November 1, 2017.

If, after reading the regulations, there are any questions, please feel free to contact this department at (518) 447-4620, or refer to our website Albanycounty.com

Sincerely,
